7 similar to the database created under this chapter appointed by  
8 the director of the department

9     *b.* The advisory council shall do all of the following:

10     (1) Make recommendations to the department on the best  
11 methods and practices for implementing a real-time internet  
12 services model for insurance verification.

13     (2) Assist in the development of a guide for insurers  
14 detailing the data fields and other information necessary for  
15 compliance with this chapter.

16     (3) Provide an annual report to the department detailing the  
17 improvements and implementation efforts relating to insurance  
18 verification in other states for consideration in improving  
19 compliance and operations in this state.

20     3. The department shall contract with a third party to act  
21 as the department's designated agent for administration of this  
22 chapter for a period of four years. For the period of the  
23 contract, the designated agent shall establish and maintain a  
24 computer database containing the following information:

25     *a.* Information provided by insurers under section 321B.5.

26     *b.* Information provided by the department under subsection

29 model.

30     *d.* Any other information provided by the department pursuant  
31 to this chapter.

32     4. The database shall be developed and maintained, and  
33 access to a real-time internet services model shall be  
34 provided, in accordance with guidelines established by the  
35 department by rule to allow authorized state and local law

1 enforcement agencies and financial institutions to efficiently  
2 access the records of the database and real-time internet  
3 services model, including reports useful for the implementation  
4 of this chapter, twenty-four hours per day, seven days  
5 per week, subject to reasonable allowances for scheduled  
6 maintenance or temporary system failures.

7     *a.* Database reports shall be in a form and contain  
8 information approved by the department.

9     *b.* Database reports may be made available through the  
10 department's internet site or through other electronic media

12 provided to ensure compliance with the provisions of this  
13 chapter regarding limitations on disclosure of information in  
14 the database.

15     *c.* The department shall consult with the chief information  
16 officer appointed under section 8B.2 for the purpose of

21 information provided by insurers in accordance with section  
22 321B.5.

23     *b.* Compare all current motor vehicle registrations against  
24 the database. If records in the database indicate that a  
25 registered motor vehicle is not covered under an owner's  
26 policy of liability insurance, the designated agent shall  
27 use a real-time internet services model to determine if the  
28 registered motor vehicle is covered under an owner's policy of  
29 liability insurance.

30     6. On or before the seventh day of each calendar month, the  
31 department shall provide the designated agent with the make,  
32 model, year, and vehicle identification number of each vehicle  
33 in the department's motor vehicle database, and the name and  
34 address of each person listed on each vehicle's registration.

35     7. The department shall adopt rules in accordance with

4 8. a. The designated agent shall archive database files at  
5 least semiannually for auditing purposes.

6 b. The department shall audit the program at least annually.  
7 The audit shall include verification of:

8 (1) Billings made by the designated agent.

10 vehicle registration records with insurance data.

11 Sec. 5. NEW SECTION. 321B.4 **Enforcement of financial**  
12 **responsibility requirements — penalty.**

13 1. If records in the database and the real-time internet  
14 services model used by the designated agent indicate that a  
15 registered motor vehicle is not covered under an owner's policy  
16 of liability insurance for three consecutive months, at the  
17 direction of the department the designated agent shall provide  
18 notice by first-class mail to the owner of the motor vehicle  
19 that the owner has fifteen days from the date the notice was  
20 mailed to provide one of the following:

21 a. Proof of financial liability coverage as defined in  
22 section 321.1, subsection 24B.

23 b. Proof that the owner is exempt from the requirement to  
24 maintain proof of financial liability coverage under section  
25 321.20B.

26 2. If, after fifteen days, the owner of the motor vehicle  
27 fails to provide satisfactory proof of financial liability  
28 coverage, the designated agent shall provide a second notice  
29 by first-class mail to the owner of the motor vehicle allowing  
30 the owner an additional fifteen days from the date the second  
31 notice was mailed to provide the information requested under  
32 subsection 1.

33 3. a. The designated agent shall update the database  
34 regarding each notice sent to a motor vehicle owner under  
35 subsections 1 and 2, indicating the information provided by the

1 motor vehicle owner or the owner's failure to provide proof of  
2 financial liability coverage, as applicable.

3     *b.* If the owner of a motor vehicle provides proof to the  
4 department or the designated agent that the owner's motor  
5 vehicle is covered by an acceptable form of financial liability  
6 coverage described in section 321.1, subsection 24B, paragraph  
7 "b", "c", or "d", the information shall be recorded in the  
8 database.

9     *c.* If the designated agent determines the motor vehicle  
10 is appropriately insured using a real-time internet services  
11 model, the information shall be recorded in the database.

12     4. *a.* If the owner of a motor vehicle fails to provide  
13 proof of financial liability coverage following receipt of the  
14 second notice under subsection 2, the designated agent shall  
15 notify the department, and the department shall revoke the  
16 registration of the motor vehicle.

17     *b.* The department shall provide to the owner of the motor  
18 vehicle appropriate notice of the revocation, order the owner  
19 to surrender the registration plates and registration receipt  
20 for the vehicle to the county treasurer, advise the owner of  
21 the legal consequences of operating a vehicle with revoked  
22 registration and without financial liability coverage, and  
23 instruct the owner on how to reinstate the vehicle registration  
24 once the owner has obtained financial liability coverage for  
25 the vehicle.

26     5. *a.* A person shall not provide a false or fraudulent  
27 statement to the department or the department's designated  
28 agent in regard to proceedings under this chapter.

29     *b.* In addition to any other penalties, a person who violates  
30 paragraph "a" is guilty of a simple misdemeanor.

31     6. A revocation of registration under this chapter is in  
32 addition to any other penalty imposed by law. This chapter  
33 does not affect other actions or penalties that may be taken or  
34 imposed for a violation of section 321.20B or other law.

35     7. *a.* A registration that has been revoked under this

1 section shall not be reinstated and a new registration shall  
2 not be issued to the holder of the revoked registration until  
3 the person does all of the following:

4 (1) Pays to the department an administrative reinstatement  
5 fee of one hundred dollars, in addition to any other penalty  
6 imposed by law.

7 (2) Complies with the requirements of section 321.20B and  
8 this chapter.

9 b. Reinstatement fees collected under this subsection shall  
10 be retained by the department as repayment receipts as defined  
11 in section 8.2 and shall be used exclusively to offset the  
12 costs of administering the program, including payments made by  
13 the department to the department's designated agent.

14 Sec. 6. NEW SECTION. 321B.5 Motor vehicle insurance  
15 reporting — penalty.

17 that issues a policy to a motor vehicle owner in this state  
18 that includes motor vehicle liability coverage, uninsured  
19 motorist coverage, underinsured motorist coverage, or  
20 personal injury coverage shall, on or before the seventh  
21 and twenty-first days of each calendar month, submit to the  
22 department's designated agent a record of each motor vehicle  
23 insurance policy that was issued by the insurer and in effect  
24 for a vehicle registered or garaged in this state as of the  
25 date of the previous submission.

26 b. An insurer is not required to provide a record of a motor  
27 vehicle insurance policy under paragraph "a" if the policy  
28 covers a vehicle that is registered under chapter 326.

29 c. This subsection does not preclude more frequent  
30 reporting.

31 2. A record provided by an insurer under subsection 1,  
32 paragraph "a", shall include all of the following:

33 a. The name, date of birth, and driver's license number, if  
34 the insured provides a driver's license number to the insurer,  
35 of each insured owner or operator, and the address of the named

6 this section via electronic means or via another means the  
7 designated agent agrees to accept.

8     4. *a.* The department may assess a civil penalty of not more  
9 than two hundred fifty dollars for each day an insurer fails to  
10 comply with this section.

11     *b.* If an insurer shows that the failure to comply with this  
12 section was inadvertent, accidental, or the result of excusable  
13 neglect, the department may waive the civil penalty.

14     *c.* An insurer that discloses records to the department's  
15 designated agent in a reasonable, good-faith effort to comply  
16 with the requirements of this section shall not be subject to a

3 Sec. 8. EFFECTIVE DATE. This Act takes effect July 1, 2018.

4 EXPLANATION

5 The inclusion of this explanation does not constitute agreement with  
6 the explanation's substance by the members of the general assembly.

7 This bill establishes a motor vehicle insurance verification  
8 program to be administered by the department of transportation  
9 (DOT). The DOT is required to contract with a third party  
10 for four years to act as the DOT's designated agent for  
11 administration of the program.

12 The bill requires the DOT to establish an advisory council  
13 to make recommendations to the DOT on the best methods and  
14 practices for implementing a real-time internet services model  
15 for insurance verification, to assist in the development of  
16 a guide for insurers detailing the data fields and other  
17 information necessary for compliance with the bill, and to  
18 provide an annual report to the DOT detailing the improvements  
19 and implementation efforts relating to insurance verification  
20 in other states for consideration in improving compliance and  
21 operations in this state.

22 The designated agent is required to establish and maintain a  
23 database containing information from insurers relating to motor  
24 vehicle insurance coverage for registered motor vehicles, motor  
25 vehicle identification information, personal identification  
26 information for registered owners of motor vehicles, and any  
27 other information provided to the designated agent by the DOT.  
28 At least twice per month, the designated agent must update the  
29 database and compare current motor vehicle registrations with  
30 updated insurance information. If records in the database  
31 indicate that a registered motor vehicle is not covered under  
32 an owner's policy of liability insurance, the bill requires the  
33 designated agent to use a real-time internet services model  
34 to determine if the registered motor vehicle is covered under  
35 an owner's policy of liability insurance. The files in the

1 database must be archived semiannually and audited by the DOT  
2 at least annually.

3 If database records and the real-time internet services  
4 model show that a registered motor vehicle is not covered under  
5 an owner's policy of liability insurance for three consecutive  
6 months, the designated agent is required to send a notice to  
7 the owner requiring the owner to respond within 15 days by  
8 providing proof of financial liability coverage or proof that  
9 the owner is exempt from the requirement to maintain financial  
10 liability coverage. If the owner fails to respond, a second  
11 notice must be sent. If the owner does not respond to the  
12 second notice, the owner's motor vehicle registration must  
13 be revoked by the DOT and the owner is required to surrender  
14 the registration plates and registration receipt for the  
15 vehicle to the county treasurer. In order to obtain a new  
16 registration for the vehicle, the owner must comply with  
17 financial responsibility requirements and pay an administrative  
18 fee of \$100. The fees collected are to be used by the DOT  
19 exclusively to offset the costs of administering the program,  
20 including payments made to the designated agent.

21 The bill provides that if a motor vehicle is covered by a  
22 form of financial liability coverage other than an insurance  
23 policy, or if a real-time internet services model indicates a  
24 vehicle is appropriately insured, that fact shall be noted in  
25 the database.

26 The bill prohibits a person from providing false or  
27 fraudulent information to the DOT or the DOT's designated  
28 agent in relation to the motor vehicle insurance verification  
29 program. A violation of this provision is a simple  
30 misdemeanor.

31 The bill requires each insurer that issues a policy to the  
32 owner of a motor vehicle that includes motor vehicle liability  
33 coverage, uninsured motorist coverage, underinsured motorist  
34 coverage, or personal injury coverage to, before the 7th and  
35 the 21st of each month, provide the DOT's designated agent with

1 a record of each motor vehicle insurance policy issued by the  
2 insurer and in effect for vehicles registered or garaged in  
3 the state as of the date of the previous submission. Vehicles  
4 subject to apportioned registration under Code chapter 326 are  
5 not included in this requirement. Insurers that fail to comply  
6 with the reporting requirement may be assessed a civil penalty  
7 of \$250 per day. However, the DOT may waive the penalty upon a  
8 showing that the failure was inadvertent, accidental, or the  
9 result of excusable neglect. An insurer that discloses records  
10 to the DOT's designated agent in a reasonable, good-faith  
11 effort to comply with the bill is not subject to the penalty.

12 Information contained in the database is confidential, but  
13 the bill provides exceptions for certain disclosures, including  
14 disclosures to state or local government agencies and courts  
15 for specified purposes, to individuals and certain other  
16 authorized persons, for purposes of an accident investigation,  
17 to law enforcement agencies and peace officers for certain  
18 official purposes, to the state auditor, and to financial  
19 institutions with a security interest in a motor vehicle.  
20 The designated agent may be authorized by the DOT to provide  
21 certified copies or electronic records, as appropriate, and to  
22 charge a fee for the provision of records and authentication  
23 of documents.

24 A person, including the designated agent, who knowingly  
25 releases or discloses information from the database for a  
26 purpose other than those authorized in the bill or to a person  
27 who is not entitled to such information is guilty of a class  
28 "D" felony.

29 The bill provides that the state and the DOT's designated  
30 agent are not liable to any person for gathering, managing, or  
31 using the information in the database in compliance with the  
32 bill. The bill further provides that the designated agent is  
33 responsible for maintaining and securing the information in the  
34 database provided by the DOT and insurers, but insurers acting  
35 in compliance with the bill are not liable to any person for

H.F. \_\_\_\_\_

1 the disclosure of information supplied to the DOT or designated  
2 agent.

3 The bill takes effect July 1, 2018.
